CAUTION

- Store in a dry, well-ventilated area protected from rodents and insects.
- Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.
- **USE ONLY AS DIRECTED**

Available Options:

Product No.	Package	Size Diameter
3007535-206 / 21AC	Bag 50#	Pellet 1/8”
3007535-906 / 21AC	Bag 50#	Pellet 5/32 – 11/64”

Product Features:

Low energy, high fiber formula

Progressive expansion design

Proprietary ingredient blend

Formulated with Cellulo-Gest®

Fully fortified with vitamins and trace minerals

Applicable to all show livestock species

Product Benefits:

Great for added expansion, holding and softening. Can be fed for an extended feeding period without adding extra fat deposition.

Supports fill through controlled, low fat, progressive expansion formulated to result in lower body and flank fill without added fat deposition, resulting in ability to be fed over long periods of time.

Supports palatability for optimal intake.

Supports feed intake, digestion, and healthy gut function.

Can be fed as a complete feed to pigs, sheep and goats

Can be fed as a supplement to cattle, pigs, sheep and goats when needing to keep them full or while holding without adding additional fat into the diet.

CAUTION:

Store in a dry, well-ventilated area protected from rodents and insects.
Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.
USE ONLY AS DIRECTED
